BARNARD INC

Barnard is a South African commercial law firm

supporting businesses across the manufacturing, signage, branding, retail, technology and distribution sectors. We advise manufacturers, importers, suppliers, distributors, signage businesses, brand owners and other commercial enterprises on the legal issues that arise as they develop products, build brands, enter supply arrangements and grow their businesses.

Our commercial law services include the drafting and review of supply, manufacturing, distribution and service agreements; commercial contracts and terms and conditions; corporate and transactional matters; employment law; debt recovery; and commercial dispute resolution.

Our intellectual property team assists businesses in protecting and commercialising the value behind their brands, designs, technology and creative work. Services include trade mark and copyright protection, IP strategy, licensing and commercialisation, technology transfer, and IP enforcement and litigation. Whether protecting a new brand, negotiating a supplier relationship, managing a commercial dispute or securing the intellectual property behind a product or business, Barnard provides practical legal support with a strong commercial focus.

SERVICES: COMMERCIAL LAW, CONTRACTS, CORPORATE & TRANSACTIONAL LAW, INTELLECTUAL PROPERTY, TRADEMARKS, COPYRIGHT, LICENSING AND COMMERCIALISATION, IP LITIGATION, EMPLOYMENT LAW, DISPUTE RESOLUTION, DEBT RECOVERY

MAIZEY PLASTICS

In celebrating 75 years in business, Maizey Plastics stands proud at the heart of Southern Africa's signage industry, not just as the region's largest supplier of signage materials, but as a family-run company rooted in trust, service, and quality. With decades of experience, Maizey has built its legacy by treating customers like partners, offering tailored solutions, and always standing behind its products.

With 24 branches nationwide and a user-friendly online store, Maizey ensures dependable supply, timely delivery, and helpful support for clients big and small. Whether you're outfitting a national campaign or crafting a one-off display, you'll find Maizey's approach personal, professional, and proudly local. We source globally, from respected brands like 3A Composites, LUMEX®, SMART-X®, Polyvantis (featuring Plexiglas® and Lexan™), Avery Dennison, and Poli-TAPE®, but we remain firmly grounded in our community values. Each product, whether it's HYLITE®, MBOND, GRAFITACK, Gencotech DTF (Direct-to-Film solutions), or SPIRIT DISPLAY, is chosen for consistency and performance.

From vehicle wraps and LED display panels to architectural profiles and POP/POS solutions, Maizey offers more than materials, we offer the confidence that your project will be backed by a company that cares. For Maizey, quality is a promise and service is a tradition. We're here to help you create boldly, deliver on time, and grow with purpose.

MIDCOMP (PTY) LTD

For 34 years, Midcomp has helped print service providers turn technology into profitable production. We supply, service and support a complete range of large-format printing and finishing solutions from versatile print-and-cut systems to high-volume production technology and automated Zünd Swiss digital cutting systems engineered to reduce waste, labour and turnaround times.

Our customers are supported by 13 factory-trained field service engineers, backed by some of the fastest measured response times in the industry. For added production security, Midcomp's Innovation Hub offers a unique backup facility where customers can continue producing urgent work while our technical team resolves an equipment failure, helping protect deadlines, customer relationships and revenue. Midcomp also offers exclusive Pay Per Use solutions for HP Latex and Stitch printers. With PPU, customers pay for the square metres printed, with ink, printheads, maintenance and service included; media is excluded. Our pioneering PPUGRO programme goes further by incorporating the equipment cost into the square-metre rate, creating a flexible route to production capacity with greater cost predictability.

Our Catalyst for Growth promise extends across three specialist companies: Midcomp, Midcomp Azero for large-format CAD/GIS printers, plotters and tailored rental solutions, and Midcomp Consumables for digital print media. With branches in Johannesburg, Cape Town and Durban, we provide sales and technical support across South Africa and neighbouring countries. Onsite and online demonstrations are available.

PERFECT LASER TECHNOLOGIES

Perfect Laser started in Newlands, Cape Town in early 2015. The company has grown to be the most diverse business machine company in South Africa. Two fundamental philosophies drive us: service and innovation. We have introduced a number of firsts in SA. We write and compile our own Technical User Instruction Guides. Our CO2 Laser tube power performance validation centre is the only one operating in Africa. Our development of range finding proximity sensors is world-class. Our specialist R&D division custom builds fibre solutions for clients. Our Materials Substrate Test Kit supplied with our entry level machines is unique. We offer free use (within reason) of our fibre laser cutter in Johannesburg. We have regular combination laser and CNC router deals.

POLYVANTIS

POLYVANTIS AFRICA

World-leading supplier for innovative semi-finished plastic products tailored for a multitude of different industries. We offer leading brands such as PLEXIGLAS® Acrylic (PMMA) and LEXAN™ Polycarbonate (PC).

PLEXIGLAS® is produced in sheet, rod and tube form. Available in different grades, surface finishes and exciting colours, PLEXIGLAS® is easy to process or fabricate. The different PLEXIGLAS® product groups offer unique properties and can be applied in many different applications across industry segments such as signage, digital printing, fabrication, interior design, furniture, architecture, roofing, aquariums or pools to name but a few.

High-performance LEXAN™ polycarbonate (PC) helps customers develop lightweight, highly durable products with tailor-made performance across a wide variety of industries. Available in sheet and film form, LEXAN™ is virtually unbreakable with excellent impact resistance.

POLYVANTIS AFRICA'S manufacturing facility in Elandsfontein produces PLEXIGLAS® sheets to the highest international standards and supports increased flexibility, shorter response times and direct access to materials. The reduction in import duties result in more cost effective pricing for consumers and the facility has the capacity to produce special length sheets or produce custom colours on order, thus servicing unique applications in challenging industries.

POLYVANTIS AFRICA'S skilled technical specialists are available nationally to assist with training, applications development and product selection advice.

BRANDS: PLEXIGLAS® GS/XT, PLEXIGLAS® SATINICE, PLEXIGLAS® RESIST, PLEXIGLAS® HARDCOAT (HC), PLEXIGLAS® HI-GLOSS, PLEXIGLAS® LED, PLEXIGLAS® MARINE, LEXAN™

Federation of Printing, Packaging, Signage & Visual Communication

PRINTING SA

Federation of printing, packaging, signage & visual communication. Printing SA is the official voice of the print, packaging, signage, and visual communications industries in South Africa. As the preferred supplier for regional government printing organisations, we offer unmatched expertise and support to our members.

We provide a comprehensive array of services, including: conferring, consulting, training and campaigning.

Our efforts are focused on the long-term sustainability and future growth of the industry. We represent our members on various statutory bodies, including the F&P M Seta, Statutory Council and Regional Chambers of Commerce. We are also the official association for FESPA in Africa and a member of the World Print Communication Forum (WPCF). Printing SA provides commercial, technical, and legal advice, as well as HR, IR, and B-BBEE consulting services for our members. As the latest training provider for our sector, we offer an array of training interventions to enhance knowledge, technical skills, and expertise. Through our online platforms, we also offer international training opportunities.

PROJECT RHINO

Founded on World Rhino Day, 22 September 2011, Project Rhino is an association of like-minded organisations facilitating rhino conservation interventions aimed at eliminating rhino poaching and securing the white and black rhino populations of KwaZulu-Natal. We recognise that the work in conserving and protecting rhinos from the threat of poaching is symbolic of the broader threat faced by all wildlife. Rexx and Project Rhino is a powerful example of how business and conservation can work together. Each year Rexx welcomes Project Rhino as their official partner at Sign Africa, giving them a platform to share their mission, connect with supporters and sell the stunning merchandise branded and donated by Rexx's latest world-class technology, helping them grow a sustainable income stream.

STIXO VISCOM SUPPLIES

A division of Stixo (Pty) Ltd. Founded in Johannesburg in 2017, Stixo has grown from a single operation as an importer, into a national distributor, with branches in Johannesburg, Durban and Cape Town, serving an extensive client base across Southern Africa, with systems in place to handle local as well as export sales. The business focuses exclusively on materials for visual communication, supplying digital print media, signage material, sign-making tools, rigid substrates, digital textiles, sublimation paper, tissue protection paper, branding equipment as well as small format sublimation supplies to printing, signage, branding, architecture and related companies.

Stixo carries a sizeable product range curated for local conditions and applications. Its own Taksim digital media, amongst other brands, has earned market confidence through consistent performance in the field, supported by long-standing customers who have tested the range across thousands of projects, from everyday shopfronts to high-visibility campaigns.

As Stixo grows, our focus remains the same; to create greater value for the visual communication industry by being a reliable, forward-thinking supply partner. By continuing to do our job well, production teams will spend less time worrying about materials and more time delivering the work their clients see and remember.

PROBABLY THE BEST SUPPLIER TO WORK WITH IN AFRICA!

**WIDEFORMAT PRINT SOLUTIONS**

Wideformat Print Solutions (WPS) is Africa's provider of wide format solutions. WPS offers solutions unlike any other supplier of digital printing, cutting and finishing products as the company provides solutions based on customers' needs and has multiple brands, unlike other suppliers that only have one or two brands. WPS offers top solutions for customers needing 24/7 production from companies like Agfa and Kongsberg. WPS also offers lower end and more affordable print and cut solutions at more affordable prices.

**XL SOLUTIONS / STS INK**

Your partner in large format printing solutions. Established in 2002, XLS has proudly positioned itself as a specialist large format distributor and reseller. Over the years, we have grown to become a formidable force in the market, providing exceptional products and support services tailored for large format printing needs. In recognition of our excellence and commitment, we have achieved GOLD partner status with Canon South Africa. This partnership enables us to sell and support an array of Canon's advanced products, including Large Format, Pro Print, and IR products. We have entered into an exclusive agreement with STS INKS to distribute and resell their full range of compatible inks. This agreement covers ink solutions for Mimaki, Roland, and various other alternative machine brands, offering customers high-quality alternatives to OEM inks.

We understand the critical importance of robust after-sales support. Our Full Technical Department is devoted to providing comprehensive support and maintenance services for all the products we sell. Our team of experienced technicians ensures that your printing operations run smoothly and efficiently, minimising downtime and maximising productivity.

Why Choose XL Solutions? Expert knowledge: with over two decades of industry experience, our expertise allows us to provide insightful advice and solutions tailored to your specific needs. Unrivalled quality and reliability: we offer only high-quality products from reputable

brands, ensuring you receive reliable and effective solutions.
